Dear Mr. Klein:

Thank you for taking the time to send your email regarding the launch of your company's LGBT Corporate Canadian Index (LGBT CCI). I appreciate your sharing this information with me.

Ontario's diversity is one of its greatest assets. Our inclusiveness has drawn people of all orientations, faiths and ethnicities to our province. Initiatives such as yours are important because they embody the values that we cherish and cultivate in our province.

I hope you understand that, as Premier, it would be inappropriate for me to endorse a private enterprise on behalf of the public of Ontario. However, I applaud your initiative's focus on inclusion and advocacy for the LGBTQ community in the Canadian corporate sector.

Once again, thank you for writing to me. I wish you every success with the launch of the LGBT CCI.

Sincerely,
