L'honorable Grant Mitchell

November 3, 2016.

Mr. Alexis Klein
President
LGBT CCI Company

Dear Friends at LGBT Corporate Canadian Index,

Thank you for the work you are doing to actively promote LGBT inclusion with Canadian corporations, on a national scale. Diversity and respect for one another are at the heart of being Canadian. We must work to bring this inclusive attitude into workplaces across the country.

I applaud your commitment to launch the LGBT Corporate Canadian Index and work towards LGBT workplace equality and inclusion. As the first index of its kind, it is a much needed reference source to measure the achievements corporate Canada is making with LGBT inclusion. I strongly encourage you to keep up your efforts in developing this project as it contributes to a more transparent and inclusive Canada for all.

Sincerely,

Senator Grant Mitchell
