

Thank you for taking the time to write and share your concerns and comments on **Bill C-16: *An Act to amend the Canadian Human Rights Act and the Criminal Code***. As an elected-Senator from Alberta, I value the opinions and views of Albertans and Canadians on matters of importance.

I support Bill C-16. I believe that adding gender identity and gender expression to the list of prohibited grounds for discrimination, like race, religion and sexual orientation, is the right thing to do.
